

Euroindex Ltd. sweeps the 16th International Fair Poster Competition

Thanks to designs by Andrew Zhyrko

Paris/Plovdiv, 27 September 2012: The jury of the 16th International Fair Poster Competition has announced the 2012 winners for this one-of-a-kind global design competition. Organized by UFI, the Global Association of the Exhibition Industry and International Fair Plovdiv (Bulgaria), this unique forum recognizes contemporary poster art, which supports the international exhibition industry. A total of 130 posters were submitted in two categories: a) generic promotion posters supporting the exhibition industry and b) posters promoting a specific exhibition event. The posters presented by **Euroindex Ltd** – Ukraine and designed by **Andrew Zhyrko**, were unanimously chosen as the Grand Award winners in both 2012 categories.

The international jury of exhibition industry professionals and graphic designers assessed the 130 posters. Selections were based on the originality of the design concept, successful interpretation of the exhibition topic and clear presentation of the marketing message and exhibition's technical details. The complete list of the award-winners and runners-up follows:

Speaking from Plovdiv, UFI President Arie Brienen applauded the design quality represented by these entries. "This competition has taken place annually since 1997, and each year the poster quality shows an increased understanding of the marketing value of the art of the trade fair medium. Designers have always appreciated this theme, and we're proud that the tradition continues."

The Grand Award winners will be presented with unique statuettes created by the sculptor Yanko Nenov. Certificates of recognition will be provided to the runners-up, their advertising agencies and designers. The Grand Awards will be presented at the 79th UFI Annual Congress to be held from 6 -9 November in Abu Dhabi.
